

## Join Us

### Advocating for dog exercise areas

### Social dog walks

The Hobart Dog Walking Association Inc (HDWA) has been advocating for dog walking areas in the Greater Hobart area and promoting the benefits of dog ownership since 2006.

In June 2021, the Clarence Dog Owners Group (CDOGS) formed as an affiliated group of the HDWA to represent dog owners in Clarence.

### Why Join

- Off-lead and on-lead dog exercise areas are important for the physical, mental and social health of dogs and people.
- Councils decide where and when you can walk your dog
- Dog walking associations provide an organised community group for Councils to liaise with about dog exercise areas
- It is important dog walkers are kept informed of changes to dog exercise areas.

### It's fun going places

We go on at least two social dog walks per month – a great way to get to know places to walk your dog

### Our members

Members of the Hobart Dog Walking Association are from the **Hobart, Clarence and Glenorchy** municipalities, although some reside in other municipalities.

## Annual membership fee:

Our small membership fee covers the annual incorporation fee, public liability insurance and incidental expenses. We aim to keep our costs low and membership fee inclusive.

**Family: \$30      Adult: \$20      Concession: \$15      Junior: \$10**
